Biomon GUI

Rodrigo Buhler

February 16, 2015

This package aims at delivering a view layer for the data analysis sofware Biomom.

The Biomon is composed by a set o three packages biomon (view layer), biomonCore (controlling layer) and analyz (model layer). They may be found at CRAN repository and at GitHub in the following addresses:

- https://github.com/rbuhler/biomon

- https://github.com/rbuhler/biomonCore

- https://github.com/rbuhler/analyz
